

COMMUNITY LEGAL NEEDS ASSESSMENT

HELP SHAPE THE FUTURE
OF LEGAL SERVICES IN
OUR COMMUNITY!

WE'RE CONDUCTING A COMMUNITY LEGAL NEEDS ASSESSMENT, AND WE NEED YOUR HELP!

Why We're Doing This

A Community Legal Needs Assessment helps us:

- Identify the most urgent legal issues facing local residents, such as housing, family law, employment, and access to public benefits
- Understand barriers that people face in seeking legal help
- Learn from the experiences and insights of community partners and residents
- Shape our case priorities and strategic planning goals for the coming years

Why We Need You

We can't do this alone. Community agencies and local residents are on the front lines every day and see the legal struggles that people face.

Your input is vital to help us:

- Reach underserved populations
- Gain deeper insights into community-specific challenges
- Build partnerships that improve access to justice
